

## CHOOSING THE BEST CARPET FOR YOUR HOME

Why does McSwain feature STAINMASTER® carpet? We believe it is the best carpet you can buy for your home. STAINMASTER® carpet uses the latest technology to achieve the best wear performance, the most durable stain and soil protection, and the most unique colors and styles.

### Proven innovation

STAINMASTER® carpet is continually developing new fiber technologies to improve the look, feel and performance of carpet.

- The first and most important STAINMASTER® carpet innovation was the invention of STAINMASTER® nylon 6,6 fiber. STAINMASTER® nylon 6,6 offers a combination of fashion and performance superior to any other carpet fiber.
- STAINMASTER® carpet leads the way in the fiber innovations that result in new carpet fashions.
- STAINMASTER® carpet with Tactesse® nylon fiber changed the feel of carpet by combining incredible softness with the lasting durability of STAINMASTER® carpet.
